Welcome!

We are pleased to welcome all of our new and former students to the beginning of a new year at AZTEC High School. Plan on this year being a fun and also productive year. The staff at AZTEC are all ready to help move you forward to the goal of Graduation.

Please look through this handbook carefully. There are several changes and keeping it handy will help you stay focused on the important parts of AZTEC and YOUR education!

As you read through this handbook, make note of the section on credits and keeping track of where you stand. Attendance and reporting to school on time are two other important qualities to practice at AZTEC. Note the policies on each of these and don't put your opportunity to learn and succeed in jeopardy by missing class or being late.

If you ever have any questions, please feel free to ask me or any of the staff and we will try to help guide you to the answer.

Best of luck in the upcoming year.

LUNCH

Aztec currently is participating in the National School Lunch and Breakfast Program. Applications can be picked up in the front office. Students who qualify will receive free lunch and breakfast or may qualify to pay a reduced rate. Aztec is a closed campus so students may not leave during the lunch period.

All students are expected to attend all assigned classes every day. Students with more than 5 unexcused absences maybe dropped from school until the beginning of the next quarter. The Attendance Policy may be found in the back of the handbook. Eighteen years and older students are not allowed to sign **themselves out without a valid excuse.**

ATTENDANCE CONTRACT

All students will sign an Attendance Contract, outlining the attendance policy. Violation of the contract will result in withdrawal from AZTEC High School.

CELL PHONES

The possession of cell phones by students on campus is prohibited. All cell phones should be checked in to the Office immediately upon arrival at school with the student's name attached. Periodically, a wand may be used to confirm no cell phones are in a student's possession. If a student is found with a cell phone on campus, the phone will be confiscated under the following guidelines:

1. First offense; the student's phone will be returned at the end of the day and a note will go into the student's disciplinary file.
2. Second offense; the student's phone will be confiscated and held until the end of the day for a parent to pick up.

Family emergencies, including a death in the family, may be excused if proper documents (funeral card, newspaper notice, etc.) are provided to the school. FAMILY VACATIONS ARE NOT AN EMERGENCY, and are not considered excused absences.

Students will not be excused for work. It is the student's responsibility to coordinate work hours so they do not interfere with school. Students will not be excused for religious purposes, including religious exercises or religious instruction.

Students under the age of 16 will be referred to the Juvenile Probation Department after the 5th absence. This may result in assignment to a diversion program, supervision, or other probation related services, which will ensure compliance with school attendance policies.

Students over the age of 16 will be dropped for absences after the 5th absence, and may not re-enroll until the next term. Any exceptions to this policy will be made by the Administration, on a case-by-case basis.

Repeated incidents of inappropriate behavior will be dealt with in accordance with policies, rules, regulations, and law.

STUDENT CODE OF CONDUCT

The consequences for violation under the Student Code of Conduct shall be administered according to these rules and regulations, applying due process procedures, and taking into consideration the seriousness of the offense and the potential rehabilitation of the offender.

VIOLATIONS AND CONSEQUENCES

Consequences will be assigned according to the AZTEC High School Consequence Matrix, with consideration given to the severity of the violation, and the student's history of prior violations during the school year.

In all circumstances where it is determined that a student has committed a violation, and that the student has, on a previous occasion, committed an equal violation, as determined by class, the conduct being considered shall be deemed to be an additional violation for purposes of determining a consequence.

Violations of Federal, State, or Local law will be referred to an appropriate law enforcement agency. If a student is on Probation or Parole, the Officer will be notified, and the student may be subject to a further violation with consequences determined by the court.

AZTEC High School is a Drug Free School Zone. Violations will be prosecuted to the full extent of the law.

Gangs, which initiate, advocate, or promote activities that threaten the safety or well-being of persons or property on school grounds, or disrupt the school environment, are harmful to the educational process. For this reason, the following activities are prohibited:

SEXUAL HARASSMENT

All students have a right to receive an education, and to attend schools free from sexual harassment. Peer sexual harassment is strictly forbidden at AZTEC High School, on its premises, during its programs, and on its transportation.

Peer sexual harassment is any unwelcome physical or verbal conduct of a sexual nature, such as touching or grabbing, or sexual comments, directed at a person because of his/her sex, or sexual orientation, that interferes with the ability of a student or students to receive an education.

Students are expected to treat their fellow students with dignity and respect at all times.

Disciplinary action may result from violations of this anti-harassment policy. Violations of this policy will be reported to teacher or other administrators, to probation and/or parole officers, and/or to law enforcement, depending on the severity of the offense.

Peer Sexual Harassment is physical or verbal conduct of a sexual nature that is unwelcome and unwanted, and is directed at the student victim because of his/her sex or sexual orientation.

Unwelcome behavior depends on the relationship between the two students and the perception of the student receiving the behavior.

Physical Sexual Harassment is physical conduct that is unwanted, unwelcome, offensive, and/or intimidating. Physical sexual harassment is usually combined with verbal or nonverbal sexual harassment to form a pattern of harassing conduct.

Verbal Sexual Harassment is repeated words or comments of a sexual nature that can offend reasonable listeners; on-going sexual remarks about a person's body, clothing, or personal life; frequent sexual teasing; and/or repeated sexual requests or invitations after being told they are unwelcome.

Non-Verbal Conduct can be gestures and actions; leering, ogling, whistling, etc.; posting or circulating sexual materials or pictures; and/or licking lips, making lewd hand gestures, etc.

SEXUAL HARASSMENT (CON'T)

Objectively offensive behavior is conduct that is so offensive, vulgar, or inappropriate that no reasonable person would perceive the conduct as innocent.

Respect for other students and appropriate behavior is expected at all times on school property, in school programs, and on school transportation. Students are encouraged to report incidents of sexual harassment to school officials at the time the incident occurs.

SPECIAL EDUCATION

Special Education Services are provided for students whose IEP specifies that need. Students are also served with support from the Special Education Coordinator/Teacher in the regular classroom. Parents of students with special needs are encouraged to maintain communication with the school regarding their child.

The school administration will provide the parents/legal guardians with a notice of hearing, including a statement of the charges or rule that was violated, the date, time and place for the hearing, the extent of punishment being considered, a list of the school's witnesses, notice that the student may present witnesses and/or be represented by legal counsel, and the parent's right to object to the hearing being held in executive session (in cases where expulsion is being considered).

JUVENILE DETENTION

Students placed in the Juvenile Detention Center while enrolled at AZTEC High School will remain enrolled while serving in detention, and will return to school upon release. The student will receive work from the school during the period of confinement, and any work completed while in detention will be counted toward credit at AZTEC High School.

CONFIDENTIALITY OF STUDENT EDUCATION RECORDS

The Family Educational Rights and Privacy Act (**FERPA**) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

- **The right to inspect and review** the student's education records within 45 days of the day the school receives a request for access.
- Parents or eligible students should submit to the school Principal (or appropriate school official) a written request that identifies the records they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- **The right to request amendment** of the student's education records that the parent or eligible student believes are inaccurate or misleading.
- Parents or eligible students may ask AZTEC High School to amend a record that they believe is inaccurate or misleading. They should write the school Principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- **The right to consent to disclosures** of personally identifiable information contained in the student's education records, except to the extent that FERPA authorized disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement personnel); a person serving on the School board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, psychologist, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school Official in performing his/her tasks.

A school official has a legitimate educational interest if the official needs to review an education record to fulfill his/her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks to enroll.

- **The right to file a complaint** with the US Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office US

Department of Education

600 Independence Avenue SW

Washington, DC. 20202-4605

CHILD FIND INFORMATION

AZTEC High School District #57 actively seeks children, birth through age 21, who may benefit from special education services. We use this means to annually inform our school staff, the general public, and all parent/guardians within the county of our responsibility to make a free, appropriate public education (FAPE) available to all high school age students with disabilities.

In order to provide FAPE, screening for possible disabilities will be completed within 45 calendar days after notification to the public agency by the parents/guardians of the child, or after any student enrolls in our school without appropriate records or screening, evaluation, and progress in school.

If the screening process indicates a possible disability, the name of the student will be submitted to the administrator for possible referral for a full and comprehensive individual evaluation of other services.

A parent may request an evaluation of the student. If after consultation with the parent, the responsible public agency determines that a full and individual evaluation is not warranted, the public agency will provide required notices to the parent/guardian within 60 days.

An initial, comprehensive evaluation of a child being considered will be completed at no cost to the parent/guardian, as soon as possible, but may not exceed 60 calendar days from receipt of informed written parent/guardian consent.

In the case of a student who is identified with special education need, a re-evaluation of that need is conducted every 3 years, or more frequently if requested by the student's parent/ guardian or teacher.

We also assist parents/guardians who seek services for their pre-high school age children who might qualify for special education services. If you have knowledge of a child, birth through 21 years of age and a resident of the county—including those attending private schools and home schools—who may require special education services, please contact any of the following agencies for more information.

SECTION 504 OF THE REHABILITATION ACT OF 1973

Section 504 is an Act which prohibits discrimination against persons with a disability in any program receiving federal financial assistance. The Act defines a person with a disability as anyone who:

- Has a mental or physical impairment which substantially limits one or more major life activities, including activities such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.
- Has a record of such impairment, or is regarded as having an impairment.

In order to fulfill its obligation under Section 504, AZTEC High School recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel and students.

No discrimination against any person with a disability will knowingly be permitted in any of the programs and practices of the school system.

The school has specific responsibilities under the act, which include the responsibility to identify, evaluate, and if the child is determined to be eligible under the Act, which include the responsibility to identify, evaluate, and if the child is determined to be eligible under Section 504, to afford access to appropriate educational services. If the parent or guardian disagrees with the determination made by the professional staff of the school, he/she has a right to a hearing with an impartial hearing officer.

For further information, contact Mrs. Suman Pangasa at 314-1929.

ATTENDANCE POLICY

AZTEC High School students are expected to attend all classes. **Consistent attendance is defined as fewer than 5 absences in any class during a school year.** All students will sign an attendance contract upon enrollment. **Students who accumulate 5 unexcused absences maybe dropped from school after the 6th absence, and may re-enroll at the beginning of the next semester, providing space is available.**

All absences are reported to the State Department of Education, and are considered unexcused, unless the student has provided appropriate documentation from a physician or healthcare professional stating that the student was unable to attend school as a result of illness.

Students must be checked out through the office when leaving for scheduled appointments, or if leaving for the remainder of the day with a parent or guardian. Students will not be released except to a parent or guardian unless written permission from a parent or guardian is given.

Students under the age of 16 will be referred to the Diversion Officer at the Juvenile Court (if not already on probation) after the 5th absence. This may result in assignment to a diversion program, supervision, or other probation related services, which will ensure compliance with school attendance policies.

Students who are absent for 10 days in a row will be automatically dropped from school.

EXCUSED ABSENCE

Personal illness verified by a note from a doctor/dentist.

Extreme illness of a child, parent, spouse, verified by a doctor.

Childcare emergencies verified by the childcare provider (The childcare provider must provide an excuse that is on the list of legitimate excused absences.).

Extreme transportation emergencies (i.e. an accident, which can be verified by YPD paperwork).

Absences will not be excused without proper documentation.

APPOINTMENTS

All appointments should be scheduled on non-school days, such as Friday, or after school hours. If that is not possible, students may be excused for appointments. Parents should call in to notify the school if a student is ill, or has an appointment during school hours. **PARENTS MUST SIGN OUT STUDENTS WHO ARE UNDER 18.**

Students should return to school as soon as the appointment is completed. Since most appointments are for no longer than one hour, students are expected to attend school, leave for the appointment, and return after the completion of the appointment, if school is still in session.

A note from the doctor/dentist or healthcare professional verifying the appointment must be given to the Registrar within the week of the absence. Absence without valid documentation is considered unexcused.

ILLNESS

A parent or guardian is required to report absences due to illness to the AZTEC High School office prior to the student's scheduled class time. **Documentation must be provided in order to excuse the absence.**

CHRONIC ILLNESS

If a student is chronically ill, he/she must provide the school with documentation from a doctor, outlining the extent of the illness, and the ability of the student to attend school regularly. A note from the doctor is still required for each absence.

Chronic Illness may include: asthma or severe seasonal allergies, diabetes, migraines, high risk pregnancy, cancer, or any other condition that would severely limit school attendance, and is authenticated by a medical doctor, and/or psychiatrist.

SCHEDULED ABSENCES

It is the parents' responsibility to notify the school prior to a scheduled absence. **In all cases, documentation to verify the absence is required** (funeral notices, court documentation, appointment letters, etc.). If an emergency (death of a family member, disaster, court appearance, etc.) arises, and the family has to travel or miss days, the school administration will make the final determination. **Vacations are not considered excused absences.**

Under no circumstances will a student be excused to attend work. It is the student's responsibility to coordinate his/her work schedule in order to ensure that there is no conflict with school attendance. Students may not be excused from school attendance for religious purposes, including religious exercises or religious instruction.

TARDY POLICY

Any student not inside the classroom or present at the designated class area when class is set to begin is considered tardy, regardless of cause. It is the responsibility of the student to be in class on time.

For students on probation, all tardies are reported daily to the Probation Officer, who may impose further consequences beyond the school's consequence.

Students will lose credit or suffer lowered grades in a class if tardies exceed the posted maximum. Four tardies in a class will be counted as equal to an unexcused absence for grading purposes, with the student earning no credit (a "zero") for that day's work.

Students with four tardies will be assigned to Friday School. Failure to attend will be counted as another unexcused absence for grading purposes, in all classes to which the student is assigned. Continued failure to come to school on time, or failure to attend Friday School will result in the student being dropped from AZTEC High School.

SUMMER SCHOOL

Summer School is conducted during the month of June. Summer School is a privilege, and is granted to students in good standing in 11th and 12th grade who need to recover credits. Summer School is fast paced, and students work in the computer lab on A+ classes.

Occasionally, 9th or 10th grade students in good standing may be allowed to attend summer school.

Students who are not enrolled at AZTEC High School are not eligible for Summer School.

INTERNET USAGE

Students will be able to use the Internet in certain classes. All students will sign an Internet Contract prior to the beginning of school. Violations of the internet protocols will be considered, at the minimum, a Class 4 violation. Repeated violations will result in loss of Internet Privileges, and further consequences up to and including Long Term Suspension.

SPECIAL POLICES ON ABSENCES/TARDIES

Excessive absenteeism and tardies will affect student grades, and ultimately, time to graduation. In order to discourage absenteeism and tardies, the following policy will be in effect:

ABSENCE/TARDY

Students should be in school every day and on time. Appointments should be scheduled after school hours or on Fridays so that school time is not missed.

Excused Absence: Students who have an excused absence in a class may make up the missed work. Students must make arrangements with the instructor to make up the work, and all missed work must be made up within the week of the absence.

Unexcused Absence: Students who have an unexcused absence in a class may not make up the work.

Students are expected to be in class on time, and to be in class for the entire period. With a 5 minute passing period and a small campus, there is no excuse for being late to class.

Excused Tardy: Tardiness may only be excused through the office. A student with an excused tardy will be allowed to make up the work.

Unexcused Tardy: A student with an unexcused tardy be allowed to earn credit for the work at the discretion of the teacher. Four unexcused tardies will count as an unexcused absence. **Students with excessive absences and/or tardies will be assigned to Friday School.**

Tardy passes will be issued through the office for FIRST PERIOD ONLY. Students must arrange for any tardy passes between classes with teachers.

TRANSPORTATION FOR 2016-2017

All students who need transportation to and from school will either furnish their own transportation, or utilize YCAT public transportation.

Students living more than 1 mile away from the school may apply for a Bus Pass from the school, allowing them to ride to and from school at no cost. Passes will be issued at the beginning of each semester. AZTEC High School is not responsible for lost bus passes, and new passes will be issued for \$15.00 to students who lose them.

Classes will begin at 8:10 AM, and end at 2:46 PM, Monday through Thursday. There are several YCAT bus stops that are within short walking distance of AZTEC High School. All busses will arrive in plenty of time for students to report to school on time. There is no excuse for tardiness when students ride YCAT, either coming or going from school.

All students with a bus pass must follow the school's transportation rules, as well as the rules of YCAT. Students who violate YCAT's rules may be asked to exit the bus immediately. Student who violates the rules of YCAT/AZTEC High School will lose his or her bus pass for the remainder of the semester, and may reapply for the next semester. Misbehavior of any kind will not be tolerated on YCAT. The school will take appropriate action as necessary.

A bus pass is a privilege, and not a right. Students who are habitually tardy or absent will lose their bus passes, and must arrange for their own transportation. Habitually tardy is defined as being late to school 5 or more times in a month. Students with 5 absences will be dropped from school on the 6th absence, may not re-enroll until the beginning of the next semester, and will lose the bus pass. Bus passes lost for these reasons will not be reissued until the next semester.

Students who fail to use the bus pass on a daily basis will lose the bus pass. AZTEC High School will not pay for a service that students do not use on a consistent basis.

Competency Based Credit: AZTEC High School offers various opportunities for students to gain additional credits based on displaying competency skills. As directed under the guidance of R-2-302.01, the following additional items are available for competency based credit:

Drug Use Prevention: (Yuma County Juvenile Drug Court) A student may be awarded 1.0 credit for successfully completing the 9 month program.

Employment Skills Proficiency (World of Work): A student who currently has a job may challenge the World of Work course, and upon successfully passing the exam(s) will be awarded .5 credit for each half of the class, up to a total of 1.0 credit.

Employment Skills Job Credit: A student may receive credit for successfully working at a job after completion of the Employment Skills Proficiency exam or World of Work Class A .5 credit will be awarded for each 135 hours of successful employment or volunteer work, as documented by a pay stub showing the hours worked, or a letter from the agency documenting volunteer hours. The maximum credit to be earned in this category is 2.0.

AZTEC High School awards credit by semester. Students may earn .5 credit for each class they pass. The Grading scale at AZTEC High School is:

A=90-100%

B=80-89%

C= 70-79%
