Dear Parent(s)/Guardian(s):

When your child is absent due to a chronic illness and a chronic illness form is on file in the school office, **a note is required from the parent to excuse the student from school if the student is not going to his/her health provider.** These notes are to be signed and turned into the school office for processing **immediately** upon the students return.

Thank you,

AZTEC High School

Upon signing below I agree, understand and will comply with the above information. I will write and turn in a note for each absence.
